

# Water Month Competition

**What?** A Water Bottle filling competition between classrooms! Classrooms will compete against one another to earn points. Points will be earned as follows:

- **2 points** for each student who has their **filled\*** *Water does Wonders* water bottle on their desk each morning during attendance.
- **1 point** for each student who has taken their *Water does Wonders* water bottle home with them each night (as indicated by it being gone from their desk at the end of the school day).

\*Note: the bottle must be filled with **water**.

**When?** The competition will start once students receive their *Water Does Wonders* Water Bottle (in week 2 of Water Month) and extend until October 28, with winners to be announced October 31.

**Why?** The goal of this competition is to have students remember to bring their water bottle to school with them each day, and to take it home for cleaning each night.

**How?** Teachers can keep a tally on the board of how many points their classroom has earned. Each Friday afternoon of Water Month, teachers should let the designated Healthy Kids School Champion or administrative representative know how many points their classroom has earned, so that the leader board can be announced the following Monday. The top 3 classrooms will be announced.
